

## PRESIDENT'S NOTE

Happy New Year from the Calhoun County Genealogical Society! 2010 is shaping up to be another exciting year from our standpoint with an interesting slate of speakers and events. In addition, we look forward to our first new book after a several year hiatus and the confirmation of our Society's status as a 501(c)(3) charitable organization.

With all of this activity, there is still room for improvements and changes. Thanks to the generosity of our board volunteers, the CCGS now has a full slate of officers. However, we have plenty of opportunity for volunteers to assist us with our many Committees. Please consider volunteering—many of our committee chairpersons can be found at our monthly meetings and would be thrilled to discuss their projects with you.

Another challenge for a small organization such as ours is to continue growing by finding new members. Fortunately, our slate of activities in January and February is very well suited for newcomers to

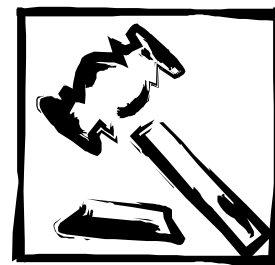

Genealogy and the CCGS in particular—our January meeting is our annual Sharing meeting, and February's event is the now-annual Battle Creek Helen Warner Library Lock-In. So once again I appeal to you to bring your friends, neighbors and especially your younger relatives who show an interest in Family Research.

2010 also marks my final year as President of the CCGS, with my term expiring in September. There are many improvements that I wish to leave to my successor so I will continue to strive in this area. Finding a successor is major goal of mine this year, as I would like to research several candidates and discuss the responsibilities and rewards of the role well in advance of the Fall elections. So please consider recommending to me any potential candidates for officer positions and I will take all suggestions very seriously.

Thanks and I look forward to seeing you at this new year's CCGS meetings and events.

Respectfully submitted,

*-Chris Rau, President CCGS*

## NEXT NEWSLETTER FOCUS—BATTLE CREEK MEDICAL COMMUNITY

### IN SEARCH OF...

Information about People, Places  
and Things about Battle Creek's  
Medical History.

Battle Creek has had a role in the development of medical innovations. For our March/April newsletter issue I'm looking for your input in this area. Please send me your stories about Battle Creek's medical history.

I could use stories about the places, things and people involved in the medical field in Battle Creek. I could use a genealogical chart of an ancestor that was involved with the medical field. If you have some pictures that can

be used, please pass them on.

Side Story: A few years ago I was looking at an old yearbook (1932) of my grandmother's. The yearbook was from Battle Creek College of Nursing and in the athletic section I found a picture of the women's basketball teams and my grandmother was in it! My mother was a gym teacher and coach, I am a volleyball coach and here we find our 5'2" grandmother was a college basketball player. How weird is that?

## BOARD MEMBER PROFILE—CORRESPONDING SECRETARY

*Submitted by Patricia Teachout—  
CCGS Corresponding Secretary*

**M**y name is Patricia Teachout. I became interested in genealogy in 1983—before computers! My husband John and I have three grown-up children. In the early days, I would do genealogy late at night after the kids were asleep. I would get so deep into it that I would not notice how late it became and would have to make myself stop. I still love it that much today.

I have connected with many distant cousins, some by e-mail, and some in person. The thing that I enjoy the most are the stories. When I write about an ancestor I like to include the history and any

information I can find on the area where they lived. I want the reader to feel like they are there. I list who was president at that time, what prices of common goods were, what the landscape may have looked like and hardships they may have suffered. I also include what new inventions came out in that ancestor's lifetime. Sometimes I even include photos from books and the internet of the location where they lived and at that time.

I have joined a few DNA groups, and have found success with DNA on my Baker line, which use to be a brick wall. I do not consider myself an expert. And I know I could learn much more. But for me this hobby is and always has

been fun. And I will not stop until it stops being fun, which I do not think it will.

I'm glad to be a part of the C.C.G.S. I hope to get to know everyone and learn as much as I can.

Surnames I'm researching are: Baker, Bice, Bogard, Carter, Clark, Colter, Crull, Doggett, Dust, Ellis, Filer, Green, Higgins, Hill, Holderbaum, Laughter, Lewis, Nicewander, Nichols, McAlpine, O'Brien, Oliver, Passwater, Paradine, Pierce, Ruff, Schofield, Stancer, Sweers, Teachout, Truesdale, York.

***MEMBER PROFILE.** Prepare your profile. You may be next. I'll be looking for someone for our next newsletters soon!*

## CCGS NEWS AND HAPPENINGS

**IN PROCESS:** Seeking nonprofit 501(c)(3) status with IRS. Submitted and awaiting approval!

**CEMETERY TRANSCRIPTIONS:** CCGS has been working on creating publications on the area cemeteries. A sample was available for you to view of Marengo Twp at the June membership meeting. We are getting together pricing and determining the number to produce. Cost will be around \$20. Remember CCGS Members get a 10% discount. Help us determine the number of copies to print by indicating your purchase interest on your new/renewal membership form OR at a membership meeting. Thank you to those who have already expressed their interest!

Also, being transcribed and expected soon is Hotchkiss/Marshall Township Cemetery.

**WEB SITE UPDATES:** Pages are being updated for outdated text and links. Broken links are being corrected.

We have received for Calhoun County the following and will be adding or replacing pages for these items soon:

- Updated version of Dibeau Marriage Collection
- County Poor House Ledger transcribed
- Korean War Casualties
- Vietnam War Casualties

Plans are also being made to update the web pages for the *Generations* newsletter index and "back" issues.

### PUBLICATIONS:

Shipping costs have increased. To accommodate these costs we have added a shipping fee to our order form. When ordering publications a shipping fee of \$3.32 is charged for every order. This is a per order fee regardless of the number of publications purchased with this order.

## POST OFFICE BUILDING GONE JAN 2010

Another land mark removed. All that remains is bulldozer marks on a sandy lot. Tokio Corners Calhoun co, Michigan was a store and gas station located at 23 Mile Road and J Dr. North. It was a Post Office from April 4, 1897 to June 29, 1901.
